

High Holy Day Childcare Guidelines and Agreement Form

The following guidelines will ensure that we provide safe and pleasant childcare while you attend services. Please read these guidelines and sign at the bottom. By signing, you acknowledge that you have read and understood the guidelines.

In order to ensure the proper provider-to-child ratio, you must reserve a spot for your child. The cost is \$10.00 per child, per service. This is not a fund-raiser; the money collected helps to offset the expenses of providing childcare. **Children who are not in childcare must be in services with their parents. Children are not permitted to wander the halls, play in unsupervised classrooms, or to walk around the sanctuary during services.**

Child Admittance:

Children must be between the ages of 2 and 8.

Children must have paid reservations. **We will not be able to accommodate children who do not have paid reservations by Monday, September 30th.**

No sick children will be admitted.

The same parent must sign the child in and out.

Children may bring a special toy or comforting item, but it must be labeled with his/her name.

Parental Assistance:

2 to 4 year olds: Parents will be summoned by an usher if they are needed for their child. If the parent cannot console the child, the parent may stay with the child in childcare or take the child out of childcare.

5 to 8 year olds: If a child misbehaves, the parent will be summoned by an usher to talk with their child. The child will have one opportunity to return to childcare that day. If the child misbehaves again, the parent will be asked to remove the child from childcare.

Diapers: If a child needs a diaper changed, an usher will summon the parent to change the diaper.

Activities and Food:

There will be age-appropriate activities such as crafts, games, and movies will be planned. Snacks are not provided. If you wish to provide a healthy snack for your child (fruit/veggies, crackers, juice, water), please put it in a bag labeled with your child's first and last name. No candy, cookies, or products containing nuts, please.

Daytime Services: Children must bring a sack lunch to the daytime programs, labeled with his/her name. Please respect the dietary requirements of CKA as well as the policy of no nuts. Please call the office if you have questions.
